To Whom It May Concern,

I [Please register my profound opposition to any scheme, now or in the future, involving the storage of nuclear waste at Yucca Mountain. I stand with the Shoshone people, the state of Nevada, and thousand of citizens in protesting this foolhardy project. Please look at the overwhelming evidence against these plans, use your own common sense, and stop these plans in their tracks. There is a better way.]

In memory of Corbin Harney, Western Shoshone.
